

ATH Single Lift 12PL

Product Images

Description

- Electro-hydraulic 1-post lift with quick lift unit and load-dependent lowering function
- Central control unit with energy set (230V / compressed air / 12V)
- Stationary use, with reinforced column and rail construction
- Safety Control: Electromagnetic release of the safety locks automatically with lifting and lowering
- Safety Lock: ability to lock the load on to the safety mechanism
- Multifunctional mounting via sliding, extra long rails and wheel forks (optional)
- Ideally suited for repairing quads, lawn mowers and small tractors

Additional Information

Rated load capacity	1.200 kg
Lifting height max.	1.930 mm
Overall height	3.138 mm
Overall width	1.900 mm
Total length	2.937 mm
Driving power	3 kW
Lifting/Lowering time	ca. 20 s
Power supply voltage	3x 400V / C16A
Concrete strength	min. C25/30 2.500 x 200 x 200 mm
